Award Details

What are the selection criteria?
An independent selection committee will evaluate the Complete applications and select recipients considering:

- Academic achievements and records
- Community Service/Volunteering
- Extracurricular Activities
- Work/Internship Experience
- Essay content

Decisions of the selection committee are final and are not subject to appeal. No application feedback will be given.

What are the details of the award?

- Up to 2 awards will be awarded annually and are renewable for up to three (3) additional years.
- The award covers up to 85% of the accredited institutions' yearly tuition fees, however, CLF’s award can be applied to tuition fees, student housing, technology, and other fees directly billed by the school. The exact amount of the award will vary depending on the cost of attendance. The award will not cover any personal expenses that are not invoiced and payable directly by the accredited institution. Please reference Figure 1.1 for examples of how the scholarship amount is calculated.

- Students may reapply each year as long as they continue to meet the eligibility criteria.

- Scholarships will be applied to tuition and fees determined by the accredited institutions. These institutions include two-year colleges, four-year colleges, vocational schools, technical schools. Students may transfer from one institution to another and retain the award.

- Scholarships will not be applied to books, personal technology, student housing, or any other related expenses that are not determined by the institution.

- You must enroll as a full-time undergraduate student in the fall of the year in which the scholarships are awarded.

Figure 1.1

Scenario 1:
Noel has been awarded the Clara Lionel Foundation Barbados Scholarship. His yearly tuition fees are $30,000 per year and student housing is $10,000 per year. Noel did not receive any other scholarships. His Clara Lionel Foundation Scholarship award would be $25,500.

Calculation: $25,500 is 85% of yearly tuition fees.

Scenario 2:
Noel has been awarded the Clara Lionel Foundation Barbados Scholarship. His yearly tuition fees are $30,000 per year and student housing is $10,000 per year. Noel receives a $15,000 merit scholarship from his school, which can only be applied to his tuition fees. His Clara Lionel Foundation Scholarship award would be $25,000.

Calculation: $25,500 is 85% of yearly tuition fees. After Noel’s merit scholarship is applied, $15,000 of his CLF award is applied to the remaining tuition fees, and the remaining $10,000 would then be applied to his housing.
Scenario 3:

Noel has been awarded the Clara Lionel Foundation Barbados Scholarship. His yearly tuition fees are $30,000 per year and student housing is $10,000 per year. Noel receives a $30,000 merit scholarship from his school, which can only be applied to his tuition fees. His Clara Lionel Foundation Scholarship award would be $10,000.

**Calculation:** $25,500 is 85% of yearly tuition fees. After Noel’s merit scholarship is applied, the CLF award of $10,000 would be applied to housing. With no other outstanding invoice from the accredited institution, the remaining $15,000 of the CLF award would be capped at $10,000.

What are the renewal details?
Each year you will receive an email notification with instructions to complete the online renewal application. You will need to provide a transcript showing your cumulative GPA. You must meet the following criteria to be considered for renewal:

- Minimum 2.5 GPA
- Remain enrolled as a full time college/university student

What are my responsibilities if I am chosen as a recipient?
You must enroll as a full-time undergraduate student in the fall of the year in which the scholarships are awarded. You must continue the entire academic year without interruption unless approved by the scholarship sponsor. You are responsible for delivering your scholarship check(s) to the proper office at your institution with its attached instructions. You should notify ISTS should your check not arrive within 30 days of the issue date. You will receive an email notification when your funds are issued.

How and when are funds issued?
Your funds will be issued via check in August. Your check will be made payable to your institution listed on your My Profile page only. Your scholarship check cannot be made payable to you, the applicant. The check will be mailed directly to your school address. Please note that you will be responsible for confirming the correct office and address to mail the check to avoid late payments. We advise that you speak with someone from your school to confirm the correct address. You will receive an email notification once your funds have been issued.

How do I change my college choice?
Make sure your My Profile page indicates your final college choice. It is your responsibility to make sure your My Profile page is correct at least 30 days prior to the check issue date listed above. If your scholarship check needs to be reissued for any reason, a reissue fee may apply.
Application Details

Which school should I list on the application if I have not made a final decision?
You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your My Profile page.

What are the differences between Official and Unofficial Transcripts?

Official transcripts must be obtained through your high school administration office, or your college registrar’s office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes. Acceptable file types are .pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps. When scanning or copying, you do not need to include a copy of the sealed envelope.

Unofficial transcripts may be accessed through your school’s online student portal. These pages must still be converted to one of the acceptable file formats. Unofficial transcripts must contain your name.

What supporting documentation is required for this application?

The following documents are required during the application process:

- Secondary School Transcript: All applicants/incoming college freshman.

If you receive a scholarship, the following documents are required during the acceptance process:

- Birth Certificate: All recipients
- Promotional Photo: All recipients
- Signed Non-Disclosure Agreement (NDA): All recipients

Where and when should I send my supporting documents?
All required supporting documents must be uploaded to your online application by the application deadline. If you do not follow the upload instructions exactly, your application may remain incomplete. Documents that meet the criteria required for this application that are uploaded by the deadline will be processed and considered on time.
Notifications

How will I be notified about the status of my application?
Notifications are sent primarily via email to the email you used to create your account. Some programs offer text and voice notifications. **Ultimately, it is your responsibility as the applicant to verify your application status on your Home page is Complete.**

What notifications will be sent to me?
- **Deadline Reminders:** Deadline reminder emails are typically sent two weeks and one week prior to the application deadline.
- **Selection Results:** Selection results notifications are sent to all Complete applicants.
- **Renewal Instructions:** If awarded, you will be sent a notification when it is time to renew your award.
- **Funds Disbursed:** Once your funds have been issued, you will be notified.
- **Other Scholarships:** Occasionally, if you meet the requirements for another scholarship administered by ISTS, you will be notified. These notifications are not guaranteed.

*Your information is never sold to any third party for marketing purposes.*

Who will notifications be sent from?
You will receive notifications from two possible ISTS email addresses: donotreply@applyISTS.com and ContactUs@applyISTS.com. You should add both of these email addresses to your “safe senders list” to ensure important emails are not sent to your spam or junk folder.

When will I receive notifications?
Notifications vary by program based on the Program timeline. Refer to the Program timeline listed above for more specific information. Typically, deadline reminders are sent two and one week prior to the application deadline.

Can I opt out of notifications?
While you can opt out of notifications, this is **not advised.** It is your responsibility as the applicant to ensure your application is Complete. If you opt out of notifications, you will not receive deadline reminders, selection results, or renewal instructions. *Your information is never sold to any third party.* The only emails you will receive from ISTS are directly related to your application and, **possibly,** other scholarship opportunities.
Document Upload

What should be visible on my documents?
All uploaded documents must show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

What are the acceptable file types?
The only acceptable file types are .pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps. Any other formats will not be reviewed, and your application will remain incomplete. You may upload multiple files within a .zip file. All files within a .zip file must be in one of the acceptable file types listed above.

Why can’t I upload a Word document?
ISTS does not accept any editable file format.

One of the documents I uploaded has a status of Rejected. What do I do now?
Review the reason your document was rejected. Once you have corrected that issue, upload a new copy of your document.

How do I upload more than one file at a time?
You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of .pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps. Do not upload additional documentation that is not requested. It will not be reviewed.

How do I create a .zip file?
To use this format, follow the steps outlined below:
1. Create a new folder on your Desktop, name it the document type you will be uploading. For example, Test Scores, Transcript, or Financial Documentation.
2. Move all the files you wish to upload into the new folder.
3. Right-click on the folder from your Desktop:
   a. PC Users: select “Send to,” followed by “Compressed (zipped) folder.”
   b. Mac Users: select “Compress [folder name].”
4. Your new .zip file will be located on your Desktop, ready to upload.

How long does it take to process my uploaded documents?
Documents are processed daily. Your document will be processed within 3 business days. If your document was uploaded prior to the deadline, it will be considered. However, it is your responsibility to monitor your Home page to ensure your document is Accepted.

The deadline has passed and my documents are still Processing- what does that mean?
All documents must be reviewed for the required information and for accuracy. All documents uploaded prior to the application deadline will be reviewed and considered. It is your responsibility to monitor your Home page to ensure your document is Accepted and that your application status reads Complete.
What are the DOs and DON’Ts of uploading documents to my application?

DO:
- Upload one of the accepted file types.
- Only upload the requested and required documents.
- Black out any Social Security Numbers. *This is not required, but highly advised.*
- Return to your Home page to verify your documents have been Accepted.

DON’T:

- Upload more than the requested documentation.
